Terms

Neither party is liable for delay or failure caused by events beyond its reasonable control, including natural disasters, labour disputes, power failures or interruptions of public utilities.

No amendment or waiver of any provision is effective unless it is in writing and signed by both parties, and no failure or delay in exercising a right operates as a waiver of that right.

Nothing in this document creates a partnership, joint venture or employment relationship between the parties, and neither party may bind the other without written authority.

If any provision is held unenforceable, the remaining provisions continue in full force, and the unenforceable provision shall be replaced by an enforceable one that comes closest to the original intent.
