Terms

No amendment or waiver of any provision is effective unless it is in writing and signed by both parties, and no failure or delay in exercising a right operates as a waiver of that right.
Any dispute that cannot be resolved by good-faith negotiation within thirty (30) days shall be submitted to mediation before either party starts formal proceedings.
If any provision is held unenforceable, the remaining provisions continue in full force, and the unenforceable provision shall be replaced by an enforceable one that comes closest to the original intent.
The parties may sign in counterparts, and a signature delivered electronically has the same effect as an original signature. Notices must be in writing and are effective when received.
