Nothing in this document creates a partnership, joint venture or employment relationship between the parties, and neither party may bind the other without written authority.

No amendment or waiver of any provision is effective unless it is in writing and signed by both parties, and no failure or delay in exercising a right operates as a waiver of that right.

The parties may sign in counterparts, and a signature delivered electronically has the same effect as an original signature. Notices must be in writing and are effective when received.

If any provision is held unenforceable, the remaining provisions continue in full force, and the unenforceable provision shall be replaced by an enforceable one that comes closest to the original intent.

Very truly yours,
